IMPORTANT

Ensure to have:

- read the first 6 pages of this application form, and that the program planning, development and implementation comply with CPD standards.

- clicked on at least one of the URLs found on page 18 of this application form and completed the application form(s) for the credits you wish to obtain.

- provided accurate answers and complete transparency to all questions on all application forms. Note: should supporting documents and/or information listed on the checklists not be provided, the accreditation process will be delayed.

- listed the name of the Physician Organization (PO) on all application forms and that the PO meets the CPD definition of a physician organization.

- submitted final content and all supporting documents (use the checklists provided) at the same time as the application forms (please submit only once). The accreditation review process will not begin until all supporting documents are received. Should the CPD office receive updated content or documents once the review process has started and/or receive the supporting documents less than 8 weeks prior to the start date of the activity, late fees will apply.

- not made reference to the RCPSC, MOC Section 1, MOC Section 3, the CFPC or Mainpro+ credit approval before the program officially receives approval. It is not permitted to state that credits are pending approval or applied for.

- submitted (if applicable) modifications or additional information at your earliest. Note: Your program will not be transferred to the next phase of the accreditation review process until all modifications or requests have been fulfilled. Failure to submit the requested modifications or additional information after a 3 week period, may result as a “non-approval” status for your activity.

- submitted a certificate request form or a certificate template for review (fees apply). Certificates are part of the ethical review process. We are mandated to ensure that certificates distributed to participants comply with CPD criteria.

- provided the strategy to manage potential or real conflicts of interest. In compliance with the National standard for support of accredited CPD activities Element 3 - Standard 3.2: The SPC is responsible to review all disclosed financial relationships (conflict of interest completed forms) of all resource persons: speakers, moderators, facilitators, authors, etc... in advance of the CPD activity, to determine whether action is required to avoid commercial bias.

Accreditation Terms: Once an activity obtains accreditation approval, the content and/or all supporting documents submitted for review cannot be altered. Changing content without approval renders the accreditation null and void.
